

Research and Evidence Launch and Workshop: Children and Youth on the Move in Eastern Africa

East African Migration Routes Project

Swiss Agency for Development and Cooperation SDC

The Mixed Migration Centre is pleased to invite you to a **Research and Evidence Launch and Workshop on Children and Youth on the Move in Eastern Africa**. This event signifies the culmination of the two-year East African Migration Routes (EAMR) project, a collaborative effort between MMC and Save the Children International, funded by the Swiss Agency for Development and Cooperation, dedicated to evidence-based programming for children and youth on the move.

This event will be **full-day** and **hybrid (those based in Nairobi are encouraged to attend in person)** and shall feature the launch of MMC 4Mi data collected in 2022-23 in Sudan and Ethiopia and research products on children and youth on the move as well as interventions from key child protection and migration actors working in the region.

When: 10:00 – 17:00, 21 November, 2023

Where: [The Social House Nairobi](#) and online. Space at the workshop venue in Nairobi is limited. Please register via the link below **by 17 November** and indicate whether you will attend in-person or virtually.

Who: NGOs, UN agencies, researchers, donor governments, and embassy focal points working on migration issues and humanitarian and development actors working with refugees and migrants.
